

Thursday 19<sup>th</sup> April, 2018

Dear Parents,

**GCSE PHYSICAL EDUCATION MODERATION DAY – WEDNESDAY 25<sup>TH</sup> APRIL 2018**

We are fast approaching our annual GCSE Physical Education Moderation Day which takes place on Wednesday 25<sup>th</sup> April 2018. **All GCSE Physical Education students will be based within the PE department for the duration of the day** in preparation for their practical assessments which counts for 30% of their final overall GCSE Physical Education grade.

All students should arrive at the sports hall no later than **8:45am**.

On the day students may attend the full school day in PE kit and warmer sports clothing (tracksuit/jogging suit) for when not performing or being assessed.

**PE Kit:** Tarleton Academy purple polo shirts, Tarleton academy black shorts and purple or black football socks. Suitable and appropriate training shoes should be worn, with football boots and shin pads compulsory for all footballers.

**Refreshments:** Students should bring snacks and drinks (preferably water) for the duration of the day and a packed lunch. Those students who are entitled to free school meals can pre order cold food and collect on the morning of moderation day.

To ensure the students maximise their marks the PE Department will be hosting final practice sessions on Monday 23<sup>rd</sup> April and Tuesday 24<sup>th</sup> April, in order to recap the skill based practices before moderation day. This will allow students to show themselves in the best light possible on the day. Students are required to attend the appropriate sessions at the dates and times shown below:

**Monday 23<sup>rd</sup> April:** 15:15-16:30 – **All** Netball players and **All** Football players.

**Tuesday 24<sup>th</sup> April:** 15:15 – 16:30 – **All** Basketball players and **All** Girls Handball Players.

I would like to take this opportunity to wish all students the very best of luck with their practical assessment and their preparations for their GCSE examinations this summer.

Any queries regarding the information above please contact Mr I Roberts (PE Department) on 01772 812644.

Yours sincerely

*Mr I Roberts*
