

10th April 2018

Dear Parent,

Year 10 Tetanus, Diphtheria & Polio (Td/IPV) & MenACWY Immunisations

On Tuesday, 1st May the Immunisation Team will be in school to carry out the Year 10 Td/IPV and MenACWY Immunisations.

During tutor time today students have been given an NHS information pack and consent forms for you to consider and complete. I should be grateful if you could return both signed consent forms to the General Office in the envelope provided by Monday, 16th April.

Please note that the consent forms should be completed **even if you do not wish** your child to have the immunisation. Also, please be aware that if the Immunisation Team do not receive the completed and signed consent forms, students will be assessed on an individual basis and given the opportunity to give their consent to receive the immunisations.

Please do not hesitate to contact me at school on 01772 812644 if you have any queries.

Kind regards,

Mrs P Langton
Resource Officer
