

Dear Parents,

Changes to Students' Timetables From Monday 18th March

Due to some necessary internal staff restructuring some students will have received a new timetable during their tutor period today. In many cases, the changes are simply to the times of the week that each lesson occurs; with no changes to the teachers your son/daughter is taught by.

We are, however, welcoming Mr Murray to the History team, who will be taking a small number of Year 7 and Year 8 classes, as well as supporting Mr Gwinnett with his tutor group. In these cases, the timetables received today will indicate the change of staff member. **The timetables received today will go live on Monday 18th March.**

For Year 7 students who have had a change of teacher for any subject, they should continue to make appointments for next week's 'Subject Consultation Evening', on Thursday 21st March, with their previous teacher.

I would also like to take this opportunity to draw your attention to the facility that students have to check their timetable via their Chromebooks or, indeed, any internet connected device. Whilst logged into their school Google Account, students can visit Google Calendar (<https://calendar.google.com>) to see what lessons they need to prepare for. *(Google calendar screenshot shown below)*
